Section 9 – CMG Volunteer Agreement

The intent of the following Volunteer Code of Conduct is to clarify relationships between the
Colorado Master Gardener Volunteer and the Colorado Master Gardener Program of Colorado State University Extension. CSU Extension values the service of CMG volunteers and commits to do our best to make the volunteer experience a productive and rewarding one.

In applying to become a Colorado Master Gardener Volunteer:

- I understand that the decision to accept me or not accept me as a volunteer is the right of Colorado State University Extension. I understand, that in many counties, more individuals apply than the program can accommodate.

- I understand my acceptance into the Colorado Master Gardener Program commits me to 1) the Colorado Master Gardener Training, and 2) fifty hours minimum volunteer work in the CMG program during the CMG activity year (ending October 31st, 2019).

- If I do not complete the 50 hours minimum volunteer work by October 31, 2019, I agree to reimburse Colorado State University Extension for the course work at the rate of $15 per each uncompleted hour, to a maximum of $500.

- I understand that Colorado State University conducts background checks on all volunteers. A criminal record will not necessarily bar me as a volunteer, but will be considered as it relates to the specifics of the volunteer work. I understand that if I do not respond to the inquiry regarding background checks, my application will not be processed.

- I understand that volunteering for an organization is a privilege, not a right. If selected as a volunteer, I understand that I serve at the request of Colorado State University Extension and that the request can be withdrawn at any time.

In the capacity of a CMG Volunteer:

- I agree to be civil and courteous towards Extension staff, other volunteers and the public.

Others may think and do things differently than what I personally prefer, but I will be respectful of their values and perspectives.

- I agree to cooperate with and support the local Extension Office staff and volunteers to jointly further the missions and objectives of the CMG Program. In addition, I agree to comply with training, reporting, certification, annual renewal requirements and other program directives as stated in CMG GardenNotes #014 http://cmg.colostate.edu/Gardennotes/014.pdf

The title may not be used to advance my personal political, religious or environmental beliefs.

- I agree to disseminate information without regard to race, age, color, religion, national origin or ancestry, sex, gender, disability, veteran status, genetic information, sexual orientation, or gender identity or expression.

discuss the following issues: hazard trees, poisonous plants and mushrooms, medical use of herbs (including growing and use of marijuana), pesticide toxicity and the misuse of pesticides. I will refer these issues to the appropriate Extension staff.

- I will follow pest management recommendations based on integrated pest management (IPM) strategies, allowing the client to select methods in harmony with their values. Any reference to the use of pesticides must come directly from Extension resources. All inquiries beyond this scope will be referred to appropriate Extension staff.
