Attention 4-H Volunteer Leaders:

Just a reminder that ALL volunteers MUST complete the “Colorado 4-H Volunteer Orientation” training modules for the 2019-2020 4-H year if they have not done a training in the last 5 years. Volunteers will not be approved as a leader until they have completed the training. If you are an organizational leader this means your members cannot be approved and enrolled in 4-H until you complete the training.

The training can be accessed through [eXtension](#). Through this link you will see how to access the training. The training will take, approximately, 1 hour to complete.

At the completion of the training, you will need to print your certificate and e-mail to Sylvia Worcester at Sylvia.Worcester@colostate.edu or mail into the Douglas County 4-H Office.
