

DUE- MARCH 5th for most breeding animals

DUE- MAY 25th for younger breeding animals**

2021-2022 Douglas County 4-H/FFA Breeding Beef

UPDATED FORM 9/27/21

Registration Information (Non-Market Cattle)

List all animals that you may enter in the Breeding Beef division at the Douglas County Fair & Rodeo. These animals must also be included in your Breeding Beef Record book.

Complete this form and upload it to 4Honline by the Beef ID Day. 4Honline must include: Brand Paper, Breed Registration paper (if applicable), and a color photo showing any distinguishing marks and the ear tag.

- The brand paper and animal **must** be in the members name only.
- Brand papers need to be written before the market beef ID day date.
- A member must provide brand papers or breed registration papers in the member's name. No brand paper required if using breed registrations, however the completed registration must be on hand or a member is required to obtain brand papers.

I am registering the following animals in my 4-H/FFA breeding beef project in Douglas County.

I understand these animals must be in my possession and remain in my primary care throughout the entire project.
