

Douglas County Breeding Beef ID Instructions

Updated 9/27/21

4-H/FFA Breeding Beef will not be required to come to the tag-in day on March 5, 2022. You will be required to identify their breeding beef projects through paperwork and photos which are uploaded onto 4honline.com. **Deadline for Breeding Beef IDs is March 5, 2022** (*For most breeding beef animals*)

- **Instructions:** To fill out your Breeding Beef ID online, go to: co.4honline.com
 - Sign in, go to your name, click “edit”, then “animals/livestock”, choose “Beef”, “Breeding Beef”, then click add animal. Fill out information and save.
 - Upload the “2021-2022 Douglas County 4-H/FFA Breeding Beef Registration Information Form (Non-Market Cattle)” – this form should be uploaded in the “County Use Form- Breeding Beef” section.
 - Upload a color photo showing any distinguishing characteristics and ear tag if applicable. (One photo required, but two are available).
 - Upload your registration papers (including brand inspection) or your brand inspection papers. Note: These MUST be in the 4-H members name only!
- **Possible Exceptions:** For previous year Fall born (September, October, November, December) heifers or current year spring calves that are not weaned, the deadline for having an ID form completed and turned in is no later than **May 25, 2022**. (These animals must be brand inspected by May 25th in the members name.) However, NOTE that members must be **enrolled** by March 1st. Cow Calf pairs- the Cow must be registered by March 1st and a followup id form must be submitted by May 26th with the calf listed.
- You can find the Breeding Beef ID form on our website at: <https://douglas.extension.colostate.edu/4-h/programs-2/livestock/> and scrolling down to Project Forms

NOTE: THIS IS NOT THE PROCESS FOR MARKET BEEF PROJECTS. Market beef animals are required to come to the Douglas county fairgrounds on March 5th at the advertised time to receive an official ear tag. There is no other way to identify your market beef animals. Do not get confused, ask questions ahead of time if you need clarification.
