

2021-2022 Douglas County Fair Market Swine Identification

Please see the below information and upload the ear notch form along with pictures must uploaded to 4Honline by **April 29th**. Please see attached 4Honline animal ID instructions and if you have any questions at please email Kirsten at Kirsten.Cowan@Colostate.edu. While uploading pictures and paperwork, please make sure pictures are of good quality, easy to see and read.

Reminder for 4-H siblings: The pig you ID MUST be the same pig you enter and show at the county fair.
All exhibitors must fill out and sign an Animal Care and Housing Form.

Swine ID Photo Tips

You must include color photos of the following views of your pig:

1. Right Side
2. Left Side
3. Front
4. Rear

The DC Fair tag AND ear notches MUST be clear in at least ONE photo. Exhibitor must be in at least ONE photo with their face clearly visible. 4Honline only allows the submission of 4 photos so please try to make sure the 4-Her is in one of the 4 pictures. If you run into problems feel free to convert 1 picture and upload as a PDF or simply email Kirsten at Kirsten.Cowan@colostate.edu.

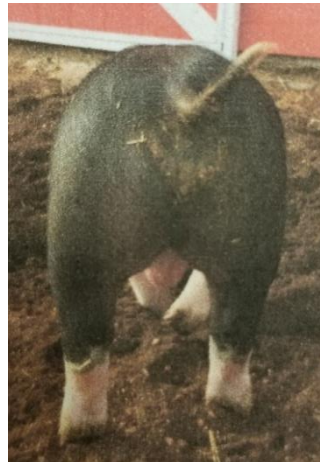

Example photos

Please center the subjects in the photo. Be sure the **whole** pig is visible. Be sure the 4-H member is close enough so we can see their face.
