The left section is titled 'Add New Animal' and contains a text box stating 'Adding a new animal not previously registered can be done here.' and a blue button labeled 'Add New Animal'. The right section is titled 'Previously Added Animals' and contains a text box stating 'Animals that have been added and approved by the member or a family member in a previous program year and can be re-activated for the current program year.' At the bottom right of the modal, there are two buttons: 'Cancel' and 'Continue'.
